- 3 Celebrity Gossip
- 4 Buy, Sell and Exchange

## Fees Before Track Series

If you haven't already paid your fees and intend to race at the track this season it would be great if you could arrange to pay your fees prior to the first race day.

This will help with getting programmes, race draws etc organised and will make Barbara's workload a lot easier on race day.

## No Dogs Allowed

The WDTC do NOT permit dogs to be present at their race meetings.

Please leave your beloved pooch at home on race days. We would hate to have to turn you away at the gate if you turned up with your dog at the track.

## Pre-Scrutineering Day

**Saturday 9<sup>th</sup> January from 12.30 onwards, there will be scrutineering checks done to save some of the workload on the first raceday of the season, especially if you have a new car.**

**The checks will be done at Crosbie Automotive on Crosbie Road in Pukekohe. Please contact Dave Saunders for further details.**

## Celebrity Driver

The Waiuku Dirt Track will play host to a celebrity driver on our first race day of the track series this year.

For those that follow the V8 Supercars you will be very familiar with kiwi rising star **Shane Van Gisbergen**.

Shane will participate in some racing on January 17<sup>th</sup> thanks to the efforts of one of our club members.

I'm sure that Shane will provide plenty of entertainment for the spectators, and excitement for those that will have the opportunity to race with him.

## Out and About

### *HoonCorp Event – Pukekohe Park Raceway*

Our very own Mike Howe and his organisation HoonCorp, will be hosting an event at Pukekohe Park Raceway again on 24<sup>th</sup> January 2010. If you are interested in doing a few laps of Pukekohe please contact Mike.

*If you are doing something that others may be interested in let us know. We can put the details in our next newsletter.*

## Children in Pit Area

It is always a great day at the races for the whole family, but..... the pit area is no place for children to be left unattended. Please make sure if you are bringing the family that you make suitable arrangements for the children while you are otherwise occupied and not able to look after them yourself.

Should any children be found unattended or walking unaccompanied through the pit area the committee will stop racing until the situation has been resolved.

## **LAST MINUTE** **HOUSEKEEPING**

**If you can be available there will be a working bee at the track this weekend to do safety fence, lap scorers shed and announcers stand. For further details please contact Jeff Brighthouse.**
